The Honorable William H. Pauley III

 U.S. District Court for the Southern District of New York

**Re: Extension of Time on Consent**  
Vargas, et. al. v. Pfizer, Inc., et. al.  
U.S. District Court for the Southern District of New York  
Case No.: 04 CV 9772 (WHP)

Dear Judge Pauley:

This firm represents Plaintiffs in the above referenced matter.

On July 31, 2007, we wrote to the Court requesting a two day extension of time in which to file Plaintiffs' opposition to Defendants' motion for attorneys' fees. Although we attempted to contact Defendants' attorney to obtain his consent to Plaintiffs' request, we were unable to reach him. However, after delivering our letter to the Court, Defendants' attorney contacted me and it was agreed that: (i) Defendants would consent to Plaintiffs' request for a two day extension of time; thereby, making Plaintiffs' opposition to Defendants' motion for attorneys' fees due by August 2, 2007; and (ii) Plaintiffs would consent to extending the time in which Defendants' had to file their reply to August 21, 2007.

As detailed in Plaintiffs' July 31, 2007 letter, this brief extension of time for Plaintiffs and Defendants to file their opposition and reply, respectively, will not alter the oral argument date (i.e. September 11, 2007) set by this Court.

For the foregoing reasons, it is respectfully requested that the Court extend the filing deadline for Plaintiffs' opposition to August 2, 2007 and Defendants' reply to August 21, 2007.
